

Survey # WA-I-676

Approximate date C. 1890?-1910?

Street Address 18 E. Poplar Street

Town, State Funkstown, Maryland 21734

private x, public     

Description:

This house has been so altered that it has lost its architectural integrity. Resting on what is apparently a concrete block replacement foundation, is this one and a half story, three bay structure. Covered with vinyl siding, it has an overhanging front porch across the front. There is a semi-hexagonal projecting bay at the west end of the front wall. A pair of gabled dormers extends from the roof. The entrance is in the central bay.
